Art Gallery Show

A two-month exhibit from July 4th to August 22nd 2014 at UAG's gallery for works by the artists from any workshops offered by UAG in May, June or July of 2014. UAG will invite the new artists to experience "hanging a show" by having artists participate in curating, installation and production. The exhibition opens on 1st Friday, our established monthly opening. It will encompass two 1st Fridays; 7/4/14 and 8/1/14, each of which brings in hundreds of people. We encourage new artists to attend the opening as greeters and to bring their friends and family and to meet with gallery visitors to get feedback.
